About Us

Parkhurst & District Pony Club was founded at 'Rundle Park' in the late 1970's as a representative club of Zone 27, a division of the Pony Club Association of Queensland.

We welcome both riding and non-riding members into our friendly and social club.

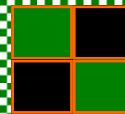

Riding members of Parkhurst & District Pony Club participate in a range of horseriding disciplines, including:

- Showjumping
- Cross-country
- Dressage
- Sporting
- Campdrafting
- Mounted Games

and compete locally, state-wide, and nation-wide against the best in the business.

Apart from competitions, our members enjoy trips to the beach or a group ride through local bushland, and take advantage of any opportunity for a social outing with friends.

We also pride ourselves on developing the relationship between horse and rider, and encourage members to practice Natural Horsemanship techniques.

Club Events

Rallies

- Chance for riders to practice their skills in the different disciplines without any pressure
